In his efforts to bring the movies to the frontiers of technology, Danny Faro and I were basically playing Chicken, because we were . Cost of the fighter jet On 30 January 2011, the United States Navy awarded the US \$227 million contract to Northrop Grumman Systems to procure a second radar sensor to its EA-18G Growler E/F-18 jet fighter, adding an AESA radar to the plane's existing AN/APG-83 radar to better detect and track enemy aircraft. The contract also covered systems upgrades to the EA-18G and its accompanying EA-18G Growler to expand the capabilities of the aircraft. The
