Acronis True Image.Q: What should a person do if he finds out his girlfriend was cheating on him but she refused to do it again? In my relationship, she has been cheating on me for the past year and I have found out. We were together for 3 years. She has been cheating on me almost every day, mostly via WhatsApp with her ex boyfriend. I have tried to tell her I will end the relationship but she refused and said we will end the relationship. I have accepted it but I don't know what to do. I feel like I am in pain every time she's lying to me. I'm the one who's been cheated on and this is the first time I have found out. What should I do? A: There are few things you can do, but none of them will get you out of this. It is
