From the Compilation Cheats section:
“Burgers [?][?][?][?][?][?][?]Z Sparking!
METEOR. As long as you're in the
Super Saiyan mode, you can get an
unlimited energy from every
character.”. PocketMusicMaker Dragon
Ball Z Sparking! Meteor (CH8-541)
(DLP). Dragon Ball Z Sparking!

(the lines have to be added automatically). I made like this : @echo
off REM ---- Directory Name ---- echo
Enter the directory name: set /p
DIRECTORY= REM ---- Generate the
file name ---- for /f "tokens=*" %%I in
('dir /b /a-d %DIRECTORY%') do set
FILE=%%~nxI set
FILE=%FILE:~0,-4% REM ---- Create
the file ---- echo %FILE% echo
%FILE% >> %DIRECTORY%file.txt
I tried to make just one for loop but it
doesn't work when I made it like this :
for /f "tokens=*" %%I in ('dir /b /a-d
%DIRECTORY%') do set
FILE=%%~nxI set
FILE=%FILE:~0,-4% echo %FILE%

echo %FILE% >> %DIRECTORY
