KEYMACRO Description: Windows XP compatible Mac software compatibility. Support for Mac OS X Only 20MB in size. It supports 8-bit, 16-bit, 24-bit and 32-bit The ICO format used. No Photoshop CS5, CS4, CS3, CS2, CS1 required. No Illustrator required. Supports all OS's from Apple and Microsoft. You don't need to buy any software to use this icon pack. It's for permanent use only, not a trial version. You can download and use it for personal or commercial use. Works with most software that can be modified to use the ICO format. Works with most icons that can be found on Google. WELCOME ABOVE ABOVE icon pack. This pack was inspired by one of the most famous icon pack on XDA. Made for the lovers of the Mac and Windows: a single set with all elements at once for good experience. Among the many elements of this icon pack: . Rectangle icon - is a square with rounded corners and filled with a color from the icon's color scheme. . Triangular icon - is a triangle with rounded corners, always in the same color as the icon's color scheme. . Material design icon - is a square with rounded corners and in a color that can be chosen by the user. . Square-triangular icon - is a square with rounded corners and the top points slightly higher than the rest of the corners. It is in a color that 1d6a3396d6
