There must be a parent folder above your current working directory. If you still can't find it, it is beyond of my capabilities and I'd search for it here or on the internet.

FILE PHOTO: Britain's Foreign Secretary Jeremy Hunt arrives for a cabinet meeting at 10 Downing Street in London, Britain, December 6, 2018. REUTERS/Henry Nicholls

LONDON (Reuters) - British Foreign Secretary Jeremy Hunt was appointed the

next leader of the Conservative Party on Saturday, according to a post on the Conservative's website. Hunt, a former health minister, replaces Prime Minister Theresa May, who has led the party since July 2016. May said in January that she would step down as party leader and prime minister following an acrimonious and inconclusive vote to leave the European Union in June 2016.

Q: Can I use this line to convert a handle from a string? It's a line I copied from another old VB6 project I have, but it's giving an error I don't understand. I assume it has to do with "this" having the wrong type. I'm trying to make this line work... I just don't know how. Friend Sub Convertor(x As String) x = "BAD1" End Sub
