Miguel Palencia Director, FIFA Interactive The Major League Soccer (MLS) club Houston Dynamo is the first club to join our One Club, One Team initiative. Houston Dynamo — and Major League Soccer in general — have been our partner and the representative of soccer on PlayStation consoles since the release of FIFA 14 more than three years ago. We've looked to them for insights and continued support, and they've been very much a part of our planning process for FIFA 22. We're proud to offer everyone an unprecedented level of authenticity with global content in FIFA 22, and we're looking forward to being able to offer a truly authentic experience — from the look and feel of the stadiums and colors, all the way to the gameplay — to our friends at
